

Girlguiding Risk Assessment

Site:	Blackland Farm	Assessment No.	BF/UNS/16
Assessor	Thomas Webb-Bowen	Description of Building or Area	Aeroball, Bouldering Wall, Low Ropes Course, Maze & Tunnels Course, Orienteering and Geocaching
Date of Assessment	27/01/2019		
Task/Activity/Process/Equipment	Unsupervised Activities	Equipment used (if applicable)	Helmets for Lowropes & Bouldering Wall
Technical Advisor (if applicable)	n/a		
Persons Name (if Applicable to vulnerable Groups etc)	n/a		
When Identifying HAZARDS consider:			
a) The Task (Who, What, Where, When, How)			
b) The environment (temperature, noise, lighting, dust, fumes)			
c) Materials, Equipment, and Substances (machinery, tools, chemicals, etc)			

RA REF No.	Hazard	Description of potential accident/injury/loss	Persons affected	Precautions/Controls already in place	Risk Rating Factor=SxL			Further control measures required?	Action By Whom	To be completed by (Date)
					Severity	Likelihood	Factor			
UNS/16/01	Aeroball - Injury through improper use (REF ASSESSMENT No. BF/AER/16)	Improper use could lead to minor injury to customers	Customers	Maximum 1 participant per trampoline. Supervisor must read and sign Conditions of use form, which makes them aware of hazard and directs them of proper use. Supervisor must not participate in the activity.	2	2	4	See Conditions of Use for more information for this Activity. Monitor		
UNS/16/02	Bouldering Wall - Falling to ground	Falling off the Bouldering Wall could lead to a minor injury	Customers	Maximum 12 participants. Supervisor must read and sign Conditions of use form, which makes them aware of hazard and directs them of proper use. Must not climb higher than marked area. Should 'spot' each other. Must wear helmets. Holds placed at low level to stop/prevent high vertical climb. Supervisor must not participate in the activity.	2	3	6	See Conditions of Use for more information for this Activity. Monitor		
UNS/16/03	Low Ropes - Falling to ground	Falling off the Low Ropes course could lead to injury	Customers	Maximum 12 participants. Supervisor must read and sign Conditions of use form, which makes them aware of hazard and directs them of proper use. Supervisor must not participate in the activity.	2	3	6	See Conditions of Use for more information for this Activity. Monitor		
UNS/16/04	Maze - Falling over & Nettles and Over Grown Branches	Falling over and improper maintenance could lead to a minor injury	Customers	Maximum 12 participants. Supervisor must read and sign Conditions of use form, which makes them aware of hazard and directs them of proper use. Pathways kept clear of unnecessary obstruction. Nettles and plants kept under control to ensure clear pathways. Supervisor must not participate in the activity.	2	2	4	See Conditions of Use for more information for this Activity. Monitor		
UNS/16/05	Tunnels - Hitting head on roof of tunnels	Minor head injury	Customers	Maximum 12 participants. Supervisor must read and sign Conditions of use form, which makes them aware of hazard and directs them of proper use and not to climb or walk on top of the tunnels complex.	2	2	4	See Conditions of Use for more information for this Activity. Monitor		
UNS/16/06	Tunnels - Slipping on top of tunnels	Improper use could lead to minor injury to customers	Customers		2	2	4	See Conditions of Use for more information for this Activity. Monitor		
UNS/16/07	Orienteering & Geocaching - Slips, Trips & Falls	Slipping or Tripping over could lead to minor injury	Customers	Participants should be clearly briefed about the activity, ensure participants are wearing appropriate shoes and clothing. In wet conditions group leaders should consider specifying participants walk and not run. If activity is taking place at night consider use of torches this would be recommended.	2	2	4	See Conditions of Use for more information for this Activity. Monitor		
UNS/16/08	Orienteering & Geocaching - Missing Participants	Missing person, could have end in catastrophic results	Customers	Participants should be clearly briefed about the activity. Participants should be sent out in three's as minimum. For younger groups it should be considered having adults accompanying them. Participants should be clearly shown the site boundaries. Group leaders must have a list of participants to monitor all whom started have returned. Group leaders must ensure the group have a way of telling the time and have a time set when they must be back by.	5	2	10	See Conditions of Use for more information for this Activity. Monitor
